

SJ receives fourth dose of COVID-19 vaccine (with photo)

The Secretary for Justice, Ms Teresa Cheng, SC, today (June 6) received her fourth dose of the Sinovac vaccine at the Community Vaccination Centre at Java Road Sports Centre.

"As the protection by vaccine may wane with time, I appeal to those who are eligible to receive their fourth dose of COVID-19 vaccine in a timely manner, and those who have yet to be vaccinated to act now. It is of utmost importance to build up immunity against the pandemic," said Ms Cheng.

She also thanked the healthcare workers and staff members of the centre and encouraged the public to make reservations for vaccination through the designated COVID-19 Vaccination Programme webpage.
