Secondment to the International Institute for the Unification of Private Law ("UNIDROIT")

It is the policy initiative of the Department of Justice ("DoJ") to nurture legal talents through continuous provision of training opportunities, especially in the practice of foreign-related legal affairs, including secondment arrangements with international organisations. In furtherance of the policy initiative, a standing arrangement has been put in place with UNIDROIT pursuant to an agreement concluded between the Central People's Government and UNIDROIT. The standing arrangement is for seconding Hong Kong legal professionals in both the public and private sectors to the Secretariat of UNIDROIT ("Secretariat") at Rome, Italy.
