

Mr Lawrence Yeung

Member, Greater China Legal Affairs Committee, The Law Society of Hong Kong

Mr Lawrence Yeung has been at the vanguard of intellectual property issues for well over a decade and has worked with several Fortune 500 companies, gaining valuable insights into practice and procedure in Asian countries and/or regions and worldwide. His core practice areas include IP portfolio/asset management and global brand protection strategies, trademark, Patent (PCT) filings, copyright and design protection, monetisation, enforcement and litigation. He has been a Consultant with Boase Cohen & Collins since 2015. A holder of civil law degrees from both the National Taiwan University in Taipei and Manchester Metropolitan University, Lawrence completed his Master of Laws at Peking University in Beijing in 1999, the same year he earned a Diploma in Criminal Justice from the University of Hong Kong (SPACE). He further gained his Postgraduate Certificate in Laws at the City University of Hong Kong in 2004 and completed his Ph.D. in Laws at the China University of Political Science and Law in 2009. He has been lecturing on postgraduate course on IP at the Open University of Hong Kong since 2004 and has delivered keynote speeches to a range of organisations including the Hong Kong Trade Development Council, Taiwan Business Association and Hong Kong Polytechnic University and published a number of articles on IP. He is also a Civil Celebrant of Marriages and accredited Mediator in Hong Kong.
