MEDIATION ADVOCACY

HOW TO REPRESENT YOUR CLIENT IN MEDIATION

As lawyers become increasingly involved in mediation, a specialised form of legal practice is developing known as mediation advocacy.

The workshop examines the duties of lawyers in Hong Kong to advise clients in relation to mediation. It also demonstrates how lawyers can assist clients to prepare for mediation and the various roles that lawyers can play in the mediation process.

The workshop is part of Mediation Week (20-26 March 2014), organized by the Department of Justice and supported by various stakeholders including IICER and Mayer Brown JSM.
