Mediation Forum – What are the Success Factors?

The Department of Justice (DoJ) plays an active role in the promotion of mediation in Hong Kong. As legal advisers to various bureaus and departments of the HKSARG, DoJ Counsel plays an essential role in the mediation process. This mediation forum, facilitated by experts from the Government and the private sector, provides a platform for DoJ Counsel to exchange views on their experience and to improve the effectiveness of the mediation process.

Date	Time	Venue	Language
