活動簡介 Synopsis:

律政司致力推廣調解作為和平解決爭議及衝突的友善方法。為培養解決衝突的正面及積極態度，律政司與教育局、亞洲排解爭端學院有限公司和國際扶輪3450地區延續以往數屆活動取得的成功，再次合作舉辦校園調解研討會。

研討會以分享環節作開始，參與朋輩調解培訓的學生將生動呈現調解在解決衝突的作用，展示如何透過調解建立溝通技巧及促成和平的解決方案，發掘朋輩調解為創造和諧校園環境所帶來的好處，及賦予學生能力去合作解決爭議。第二個環節將邀請2026年調解徵文比賽各組別的前三名獲獎者分享他們對調解的看法，隨後會舉行頒獎典禮。今年的比賽將首次走出香港，邀請大灣區學生分享他們的故事及對調解的看法。

The Department of Justice (“DoJ”) is dedicated to promoting mediation as a friendly way to amicably resolve disputes and conflicts. In order to instil a positive and constructive attitude towards conflict resolution, DoJ along with the Education Bureau, Asia Conflict Resolution Institute Limited, and Rotary International District 3450, collaborate again to co-organise the School Mediation Seminar following the success of previous events.

The Seminar will first feature a peer mediation showcase in which students trained in peer mediation will vividly demonstrate its role in resolving conflicts. The demonstration will showcase how mediation builds communication skills and fosters peaceful resolutions, discovering the benefits of peer mediation in creating a harmonious school environment and empowering students to address disputes collaboratively. The second session will see a sharing session of the top 3 winners in each Division of the Mediation Essay Competition 2026 (“Competition”) and prize presentation ceremony. This year, for the very first time, the Competition extends beyond Hong Kong, reaching out to students in the Greater Bay Area for sharing their stories and thinking about mediation.
